### Go daddy Domain login

Click the sign in icon and select sign in via google

The image shows the GoDaddy Sign in page. On the left, there is a QR code for WhatsApp with the text "on WhatsApp" above it. Below the QR code, it says "Scan this QR code and opt-in to WhatsApp to:" followed by a list of benefits: "Receive renewal notices and account alerts", "Chat with GoDaddy guides", and "Receive important product news". A note below states "\*Android users may need to enable Google Lens". On the right, the "GoDaddy Sign in" form is visible. It includes a "Username or Customer #" field, a "Password" field with a "Show" link, a "Keep me signed in on this device" checkbox, and a "Sign In" button. Below the "Sign In" button, there is a section "or sign in with" with icons for Apple, Facebook, and Google. This section is highlighted with a red rectangle. At the bottom of this section, it says "Need to find [your username](#) or [your password](#)?"

The image shows the Google sign-in page for "Electronics of things". It features the Google logo at the top left. Below it, the text "Electronics of things" is displayed. Underneath, there is a dropdown menu showing the email address "contactelectronicsofthings@gmail.com". To the right, there is a password field with the text "Enter your password" above it and "Startup2023" entered. Below the password field, there is a "Show password" checkbox. At the bottom right, there is a "Forgot password?" link and a "Next" button. The footer of the page includes "English (United Kingdom)" on the left and "Help", "Privacy", and "Terms" on the right.
